SAP RUN FOR KIDS

ABOUT US

WHAT IS KIWANIS?

Kiwanis International brings the world together – one community at a time. Today, we stand with more than 600,000 members in more than 80 countries from Kiwanis to Builders Club to Key Club and beyond. Each community has different needs, and Kiwanis empowers members to pursue creative ways to serve the needs of children through local service projects and fundraising.

Kiwanis hosts over 150,000 service projects each year.

KIWANIS MISSION

Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

KIWANIS VISION

Kiwanis will be a positive influence in communities worldwide – so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

WHY A SAP RUN?

We are still the new kids in town and we are anxious to make an impact in our community! Like most in Muskoka we took a hit with covid, affecting membership and our ability to raise those much-needed service dollars, while at the same time supporting our communities needs.

The Sap Run allows us to get to know other members of the community, provide a safe and fun event for kids, and raise some money for children in need right here in the Huntsville-Lake of Bays area.

WHAT IS OUR GOAL?

Our goal is simple:

Host an event that is fun for kids of all ages.

Get to know you and your family.

Raise money to make an impact in our community.
